A few point about

TO ENCOURAGE NETWORKING (T.E.N.)

TEN operates on the premise that when a small group of business people diverse companies actively exchange information, each business profits through increased sales.

Why choose TEN?

Members receive more high quality leads that result in final sales.

TEN Works because the group:

Permits only one member from each profession, trade, business or service category.

Provides a bi-weekly forum (lunch/meeting) during which members may exchange ideas and information about potential leads and issues important to them at that time.

Expects members to:

- Provide their fair share of quality leads per month.
- Keep all leads and their sources strictly confidential.
- Miss no more than 2 meetings per quarter.
- Pay dues promptly.

TEN Works for:

A diverse group of companies and individuals who sell their products and/or services to businesses, non-profit organizations and/or the public sector.

How Can You Join TEN?
